

530-X-2-.10 Time Limits for Submitting/Completing LP-Gas Permit Applications

- (1) Following the application of a person, firm, or corporation to engage in any LP-gas business in the State of Alabama as detailed in the various permits of *Code of Alabama, 1975, § 9-17-105(b)*, there shall be a lapse of time deemed necessary by the Board's administrator, but not to exceed thirty (30) days, between date of receipt by the Board administrator of the application complete in all respects and the date of consideration of the application by the Board at its next regular scheduled meeting. This time lapse will be used by the Board administrator to ascertain the completeness of the application and the accuracy of the information submitted on the application.
- (2) From the time the application is mail stamped received by the Board staff, the applicant will be given a maximum of 180 days to comply with all regulations for the considered issuance of the permit; otherwise, the application will become null and void. Once the application is voided, the applicant must begin the application process anew including new application fees. The 180-day rule shall not begin for Class A permit applications until their initial application is approved by the Board.
